CREATE V SHAPE

FACE SMALL GOLDEN BOTTLE, SCULPTURE STAR

Every girl dreams of having a perfect face shape, and often complains that the face is not enough V is not thin and not three-dimensional, when changing the ancient winter clothes, it is especially important to show the perfect contour. EISENBERG, who is popular among European and Middle Eastern royal celebrities and nobles, insists on being obsessed with exquisite details, adhering to the spirit of innovation and exploration, 56 days for you to create a perfect wheel temple line, beautiful and beautiful.

MR. JOSE EISENBERG,

the founder of the Royal Age Expert brand from France, was born in a European aristocratic family. He grew up in Paris and Florence and was deeply influenced by art. pottery. As a young man, as a haute couture designer, he has been in the European fashion circle for decades. On the constant pursuit of beauty, Mr. EISENBERG finally realized that the key to feminine beauty lies in skin texture and contour. For this reason, he did not use his fortune to fund a 15-year research in a palace-level beauty laboratory. In the process of R&D and production, he finally obtained the cutting-edge aging skin care ingredient: the triple active molecule TRIO-MOLECULAR formula. High-tech beauty ingredients, combined with precious natural essences, act on the surface and base of the skin at the same time, help skin cells to function healthily, and maintain the beautiful state of skin's firmness and luster from multiple dimensions, thus laying the foundation for Isberg's "Biotech Royal Expert" status. As the son of JOSE Eisenberg, Edmond Eisenberg also advocates the fusion of beauty and fashion, and injects young genes into the brand.

SMALL GOLDEN BOTTLE SCULPTURE PERFECT CONTOUR

as the EISENBERG contour firming essence that won the "Nobel" award in the international beauty industry, it is different from the common firming essence products in the market. It only acts on swelling and firming the skin. "Bottle" can truly decompose local fat cells, liquefy accumulated fat and discharge, promote cells to produce more collagen and increase skin elasticity. It also cooperates with the brand's unique core aging formula, a triple active molecular formula, to truly lift and firm, and shape a V-face swan neck. Create a perfect contour line in 56 days, enjoy all-natural ingredients to reduce local fat, and fight skin sagging and puffiness.
