Soin Anti-aging

Soin Anti-age by Eisenberg (€ 169) is a cream with an anti-wrinkle and firming action that leaves the skin toned, smooth and rejuvenated.

Its melting and silky texture is formulated with targeted active ingredients: encapsulated Retinol, Borage and Grape Seed Oils to regenerate and nourish, Vitamins E and C to fight against free radicals, Vegetable Ceramides to preserve and retain hydrolipidic film and protect the skin from environmental aggressions, Red Algae to eliminate toxins.

Masque Creme Magique

Masque Creme Magique by Eisenberg (€ 119) is an eye contour mask from the Excellence line that allows you to instantly find a rested look.

The Trio Molecular Formula ensures an effective anti-aging action; caffeine reduces puffiness and dark circles, while the Biotechnological Tensor agent relaxes the skin.

Wrinkles are thus smoothed and the skin regains its ideal tone.

This eye contour mask is capable of hydrating and reducing skin dryness and performing a calming and decongestant action.

L'Art du Parfum Eau Fraîche

Eisenberg Eau Fraîche (30ml, €62; 50ml, €94; 100ml, €136) is a fresh and luminous fragrance.

Bergamot intertwines with pink pepper in the head notes until it meets the cold heart notes of anise and mint coupled with a delicate note of neroli on a persistent base of precious woods .
